

Could you be a Parish Councillor?

Tiverton & Tilstone Fearnall Parish Council has a vacancy and is keen to hear from anyone who lives within 3 miles of either village and is passionate about supporting and improving the local area.

The meetings are held on the second Tuesday of every other month and you need to be able to read and answer emails, work with other people and have a real desire to help. The role is voluntary but very interesting and rewarding and there is training available.
