

## **Village Hall Garden Tidy Up**

**A date for your diary at the Village Hall, Sunday 16 March 2025, 11:00am**

Remember the Big Help Out Day event as part of the Coronation festivities two years ago? There was excellent support from the village for a tidy up of the village hall front garden with a big improvement in a couple of hours. However gardens grow and it all needs doing again!

We'd like to run a similar event on Sunday 16 March. Bring your own garden tools and garden gloves. The hall will provide light refreshments.

All welcome but children to be accompanied by an adult. We look forward to seeing you.
